RE: Lunar new year festival

Dear Sir,

On behalf of the Korean Chamber of Commerce, I would like to extend my gratitude for your attendance to the Lunar New Year Festival held last Saturday, 31st January 2009. It was fantastic to see key members of the Ryde community, such as yourself, support this event. Thanks to all the generous support we were blessed with, including your presence, Saturday was a successful day, one in which the community truly came together.

We truly look forward to organizing future events for our community.

Thank you once again.

Kind regards,

Kenny Lee.
